

## COLEMAN SCHOOL WANTS AN AUDITORIUM BUILT

Citizens on the south side signed a petition this week praying for an auditorium for the Coleman school, Forty-seventh and Dearborn street. The petition cites that the school is in dire need of more room, and especially is an auditorium necessary to carry on similar work that is done at the Carter H. Harrison school and other schools in the city. One of the young teachers is soliciting the support of Editor Robert S. Abbott, Alderman Anderson, Hon. E. H. Wright, Major R. R. Jackson, Representative Lucas, B. F. Moseley, Banker Binga, Col. F. A. Denison, Dr. George C. Hall, A. L. Jackson and other citizens.
