MUSKOGEE, Okla., May 6.—With Mrs. Nellie Greene, well-known club woman and society leader, as general sponsor, the kiddies of this city boast the finest Bud Billiken club in the state of Oklahoma. Records show that these youngsters have fallen in line with Bud Billiken's thrift plan and are to date selling 300 copies of *The Chicago Defender* weekly.

Talking about splendid work, these youngsters know what it's all about when it comes down to disposing of *Chicago Defenders* and Abbott's Monthly magazines. The money earned is going toward helping to buy school supplies and helping their parents defray minor expenses at home.
