FREDERICK DOUGLASS CENTER.

Sunday afternoon, April 26, at 4 p. m., Major Lynch will speak on "Reminiscences of Reconstruction Days." Mr. Lynch has recently written a book on the subject and is an interesting speaker. Thursday afternoon a joint meeting of the Center Woman's Club, Child Culture Club and the Political Study Club met to consider the interests of infant welfare. It is hoped a pure milk station will be located in this immediate neighborhood soon. Miss Vincent of the School of Civics and Philanthropy is physical director in the girl's classes.
