

# BAHA'ULLAH

Prophet-Founder of the Bahá'í Faith,

proclaims:

*"the earth is but one country, and mankind its citizens."*

*"When the racial elements of the American nation unite in actual fellowship and accord, the lights of the oneness of humanity will shine, the day of eternal glory and bliss will dawn, the spirit of God encompass and the Divine favors descend. . . Under the leadership and training of God, the real shepherd, all will be protected and preserved. He will lead them in green pastures of happiness and sustenance and they will attain to the real goal of existence. This is the blessing and benefit of unity; this is the outcome of love. . ."*

From Bahá'í Writings.
