

Y. W. C. A. NEWS

Last Thursday evening Miss Baumgardner of the national board gave an interesting talk on camp, which was beneficial to the staff and members of the Indiana avenue branch, as we hope to have one for our girls this summer. Preparations are now being made for the opening, which will be about the last of June or the first of July. * Mrs. Georgia DeBaptiste Ashburn will have charge of the vesper services Sunday afternoon from 5 to 6. * A complimentary testimonial to Miss Annie Outlaw of the Y. W. C. A., who has been ill for three months at Provident hospital, will be given at Trinity M. B. church Tuesday evening, April 20, at 8:15, under the direction of Mmes. Susie Bantum and Lucille Preston. * The girl reserves, numbering about 250 to 300, will give a "Kermis" entitled "The Spirit of Youth," on Monday evening, May 10, at Aryan Grotto temple, 5th street and Wabash avenue. * The Y. W. C. A. of Chicago will begin a big drive commencing May 14 to May 21. During this time the organization hopes to raise \$1,000,000. Our branch is a part of this organization and we must do our duty. * Miss Bessie I. Mitchell, girls' work secretary, was called suddenly to her home in Wilberforce, Ohio, to attend the funeral of a very dear friend. * Every place in the building is now filled and we have a long waiting list. * On Thursday evening, April 22, the social committee will give a party for boys and girls at the Blue Triangle clubhouse, 3511 Indiana avenue.
