The musical selection of the quartette under the leadership of Mr. Gassette, last Sunday, were of unusual taste and excellence, and won for these well-trained singers enthusiastic praise, and an earnest hope to hear them again at an early date.

The first meeting of the Summer Students was held Friday evening. The principal speakers were Rev. W. H. Pulsford of Memorial Chapel, and Prof. F. A. Christie of Meadville Theological School. Prof. Christie fills the chair of New Testament study and will speak tomorrow at 4 o'clock on "The Methods and Purpose of the Higher Criticism."

Miss Lillian Chapman returned from her vacation last Tuesday.
