### HIGHER ETHICS OF LOVE GAIN.

Gospel of Unity.  
Millions of men and women throughout  
the countrie. of the globe, have been  
led to the entire removal of race preju-  
dice, through the teachings of the great  
prophet and revelator of God's commands  
to humanity, Baha'o'llah.

Allow me to quote some of his utter-  
ances on this subject, uniting the whole  
world in the bonds of love, amity and  
brotherhood. "In order that the dark-  
ness of strife might be banished from  
the world, His Holiness, Baha'o'llah, es-  
tablished and taught certain declara-  
tions or principles. First principle which  
He proclaimed was the Principle of the  
Oneness of the human family. 'Human-  
ity constitute the sheep of God's flock.  
The real Shepherd is God.' The real  
Shepherd is compassionate and kind to-  
wards all the members of His flock. Hu-  
manity was created by God; He provides  
for all, protects all. He is kind to all.  
God created humanity."

Oneness of Creation.  
"O Children of man! Do ye know why  
we have created ye from one clay? That  
no one should glorify himself over the  
other. Be ye ever mindful of how ye  
were created. Since we created ye all  
from one substance, ye must be as one  
soul, walking with the same feet, eating  
with one mouth and living in one land,  
that ye may manifest with your being,  
and by your deeds and actions, the signs  
of unity and the spirit of oneness. This  
is my counsel to ye, O people of light!  
Therefore, follow it, that ye may attain  
the fruits of holiness from the Tree of  
Might and Power." (Baha'o'llah.) "We  
desire but the good of the world and  
the happiness of the nations. \* \* \* That  
all nations should become one in faith,  
and all men as brothers; that the bonds  
of affection and unity between the sons  
of men should be strengthened. \* \* \* Let  
not a man glory in this, that he loves  
his country, let him rather glory in this,  
that he loves his kind." (Baha'o'llah.)  
"O ye discerning ones of the people:  
Verily, the words which have descend-  
ed from the heaven of the will of God  
are the source of unity and harmony for  
the world. Close your eyes to racial  
differences and welcome all with the light  
of oneness. Be the cause of the com-  
fort and the advancement of humanity.  
This handful of dust, the world, is one  
home; let it be in unity. Forsake pride;  
it is a cause of discord. Follow that  
which tends to harmony."
