

Deltas Give A Warm Welcome Party For Soror

Elsie Austin Of Ohio Is Breakfast Guest

Elsie Austin, prominent barrister and assistant state's attorney of Ohio, was graciously entertained by her fellow sorors of Delta Sigma Theta, Lambda chapter in Chicago, at a charming breakfast affair.

Soror Austin was the house guest of Soror Margaretta Turner. For most of the sorors this meeting with Attorney Austin was their first and they were impressed with her youth and gracious manner. However, to many she was an old friend and the reunion was one of real joy and gaiety.

The informal program was announced by Helen Glover, acting as mistress of ceremonies.

Soror Crosswaithe, Lambda's brilliant pianist, played selections. An original Delta song, written and composed by Roma Lawson Jones, was sung by Alice Brooks, Jewel Cave, Frances Taylor and Roma Jones was a most inspiring boon to Delta Sigma Theta.

Lambda's young and artistically talented president, Jane Callis, expressed the chapter's pleasure on this occasion.
