Baha'i World Peace Day To Be Observed Saturday

"The first imperative for mankind is the achievement of world peace if it is to reap the benefits promised by the age of space," according to Dr. George Hutchinson, secretary of the local Spiritual Assembly of the Baha'is of Detroit, who will speak 8 p.m. Saturday Sept. 17

at the Chicago Baha'i Center, 116 S. Michigan ave., Room 1108.

The program is in observance of "World Peace Day" which is sponsored nationally by members of the Baha'i Faith in the United States to emphasize the spiritual role of America in the

cause of world peace.

Baha'u'llah, the prophet-founder of the Baha'i faith, pointed out in his teachings that "The well-being of mankind, its peace and security are unattainable unless and until its unity is firmly established."

Dr. Hutchinson, a former

Baptist minister, has been a member of the Baha'i Faith for four years. He is chairman of the teaching and publicity committees.

The public is invited to this meeting. There is no admission and refreshments will be served.
