Couple Weds In Lovely Baha'i Temple Rites

By MARGARET SMITH

The colorful and beautiful Marion Rose Garden of the Baha'i House of Worship in Wilmette, Illinois was the setting for wedding nuptials of Miss Audrey Emery and Tyrone Chiles. Prior to the ceremony the Lord's Prayer (Malotte's) was sung in recording by the Mormon Tabernacle Choir.

The surroundings were conducive to the quiet and solemn ceremony engaged in by the bride and groom and attendants. The garden was a mass of multi-colored roses, shrubs and trees. A fountain bubbled in the center of the plot and it was around this that the bridal party encircled itself. To the strains of the Mendelssohn Rondo Capriccioso the attendants marched to the front of the fountain. When they were settled scriptures from the Baha'i Prayer book and from the New Testament were read by members of the faith.

The introduction to the Marriage Pledge was read by David Kellum chairman of the local Spiritual Assembly for the Temple. The bride and groom then recited the Marriage Pledge and they were man and wife. The Sanctus by Missa Luba was chanted and the bridal party recessed to participate in the congratulations given to the bride and groom. The bride's maids wore white short dresses with simple tiaras; their accessories in shoes and belts were pastels; orchid, yellow, blue, pink, green; the ushers were in matching pastel formal coats.

The maids carried tinted bouquets. The bride was attired in a short long sleeve white lace gown; she wore a wisp of a veil over her face that fell around her shoulders. Her bouquet was white orchids and carnations. The bridesmaids and ushers included Maurice Moore, Edward Linzy, Wade Dixon, Barry Arnold; Misses Andrea Jones, Bertha Little, Juanita Kelly and Geraldine Stewart, messers Carl Glenn, Leandrew Emery junior and Alvin Emery, brothers of the bride.

The bride, daughter of Mrs. Virgie Emery, is a registered nurse and a graduate of the St. Anne School of Nursing. The groom is the son of Mr. and Mrs. Hiram Chiles. He is an employee of the Commonwealth Edison company. The gay and intimate wedding reception was held in the Federated Woman's club room and the menu was varied and tasty. Included in the receiving line at the reception were the parents of the groom. Mrs. Chiles wore two shades of blue; the mother of the bride wore a rose linen gown and white accessories. The bride an

groom will honeymoon in Montreal, Canada for the next three weeks.
