

FREDERICK DOUGLASS CENTER.

3032 Wabash Avenue.

Sunday afternoon, December 14, at 4 p. m., Professor Robert Ezra Park of Boston will speak on "My Trip Through Europe with Dr. Booker T. Washington." Professor Park accompanied Dr. Washington on his travels, which are recorded in his book, "The Man Farthest Down." He has been giving a series of class room talks at the University of Chicago on "The Progress of the Negro" from October to January. Professor D. Owen's orchestra will give several musical numbers with him to sing. Mr. Owens is a pupil of Professor Carnes.

Tuesday afternoon, December 16, at 2 p. m., the Center Woman's Club meets. There will be a Christmas program in charge of Miss Lane. A general discussion will follow on Christmas giving. Mrs. Ophie Wells will continue the review of Professor Du Bois' book, "The Quest of the Silver Fleece." Mrs. Wells is chairman of the musical committee, giving us the best of her talent, which is much appreciated. We missed the presence of Miss Fannie Barrier Williams, who was detained at home by the illness of her husband.
