FREDERICK DOUGLASS CENTER.

Sunday afternoon, July 20, at 4 p. m., there will be a Social Settlement Symposium in charge of Miss Harriet M. Vittum, head resident of Northwestern Settlement and former president of the Chicago Woman's Club. She will be followed by a general discussion. Piano solo by Miss Brown of Montgomery, Ala.

Several months ago Mrs. G. L. Cone called the mothers of our children's classes for an evening's study in child culture. So much interested were they in the idea that they are now a permanent organization with Mrs. Irene Goings as president. We will follow a well defined program, making a specialty of psychology. Miss Mary Jackson of Augusta, Ga., will give the address at the next meeting, the second Tuesday in August, at 8 p. m. A social chat completes the evening.
