### Dunbar High School

Celebrating the victory of the Dunbar battalion and of Companies A and B an assembly was held Wednesday morning, when the symbols of victory were presented with true military dignity to the principal and school. As the winning companies and the regimental officers marched down the aisles of the auditorium they were greeted by the cheers of the assembled student body. Then cadets from the winning companies presented in succession the white flag, the blue flag and the silver loving cup to the principal, Walter L. Smith, who received them in behalf of the school.

The cup won by the First battalion commanded by Major Stanton Wormley is the gift of the officers of divisions 10-13 and the first to be presented to a winning battalion. After the singing of "Alma Mater" by the students the program, presided over by the chairman of the military committee, Louis Russell, consisted of speeches by the officers of the companies, lusty cheer and songs. A visit by the officers of the Second battalion, the chairman of the military committee of Armstrong, Henry Murray, and Company I of the same school was an interesting feature of the celebration.

Belle C. Tobias, a former student of Dunbar, now a junior at Wadleigh high school, New York, was elected to Arista, an honorary society of that school, on May 25. Of the 56 candidates from the school Miss Tobias was second in the junior list, with an average of 93 per cent. She plans to attend Barnard college, where she will specialize in Latin.
