

Oust Bilbo Move Grows. Authors Head New Group

(Defender New York Bureau)

NEW YORK—Organization of the National Committee to Oust Bilbo, sponsored by the Civil Rights Congress, was announced last week by Quentin Reynolds and Vincent Sheean, co-chairmen of the committee.

The committee will circulate petitions urging the U. S. Senate to refuse to seat Bilbo on the ground that he won the election through fraud and intimidation of Negro voters.

Included on the committee roster are Bishop Edward L. Parson, David O. Selznick, George F. Addes, Albert Einstein, Mark Ethridge, Dr. Charlotte Hawkins Brown, Justice James Wolf, Earl B. Dickerson, John Garfield, Paul Robeson, Fannie Hurst, Cornelia Otis Skinner, J. Raymond Walsh, Alain Locke, Katherine Dunham, Dorothy Parker, and Rev. Dr. Guy E. Shipler.
