FREDERICK DOUGLASS CENTER.

Sunday, August 1, at 4 p. m., Dr. U. G. Dalley will speak on "Personal Observations of Europe in 1912." Dr. Dalley is a leader in his profession, being a specialist in several lines. His worth as a practitioner is much appreciated by the general public. Miss Blanche Walton, soprano; Miss Elsie Baxter, contralto, and Miss Pauline Lee at the piano will give us a very flattering musical program as each artist is conservatory trained.

Friday, August 6, at 8 p. m., there will be a symposium given by the university students, when each will relate some matter of interest pertaining to the school in which they teach. This will be in charge of Mr. Jackson, secretary on the Wabash Avenue Y. M. C. A.
