

BAHA'IS MARK U. N. DAY

Finding the conversation quite amusing is Purvis Boyd (left), of 4127 S. Michigan Ave., who was among many guests attending a United Nations International Desert Party at the Baha'i Temple. Chatting with Boyd are Mrs. Lillie Cloonan of Northfield

and Phil O'Brien, director of activities for the Baha'i House of Worship. U.N. flags and candles from various countries served as decor for the tables representing the nations.
