### ON BILLY GRAHAM

Dear Editor: I believe that Billy Graham should enlighten the Southern spiritual leaders and politicians about good race relations since over half of the people in the world belong to the darker race.

Of course it seems as if only a miracle can convert the South and integrate its people spiritually. However, it seems as if a large majority of Southern leaders have established equality behind closed doors. These seeds of adultery were handed down to them by their forefathers. It is hard to live a lie which they seem to be trying to do. —A Bahai.
