

DEFENDER PHOTO

EASTWARD HO!—People may still go west to grow up with the country, but westerners like the Middle West and East for vacations and pleasure. Here we have the Thompsons from ocean-swept Santa Barbara, Cal., who stopped in the city and visited The Chicago Defender before continuing to New York. They also visited the Bahai temple, Wilmette, Ill. In the picture are Mr. and Mrs. Clay Thompson, Clay Jr. and Miss Doris.
