## CHRISTIAN SCIENCE CHURCHES

"The gift of God is eternal life through Jesus Christ our Lord." This verse from Romans is the Golden Text of the Bible Lesson-Sermon titled "Life" that will be read in all Christian Science churches this Sunday.

At Eight Church of Christ, Scientist, Michigan ave., at E. 44th st., services will begin at 10:45 a.m.

Among related passages to be read from the Christian Science textbook, Science and Health with Key to the Scriptures by the denomination's Founder, Mary Baker Eddy, is the following: "Life is eternal. We should find this out, and begin the demonstration thereof. Life and goodness are immortal. Let us then shape our views of existence into loveliness, freshness, and continuity, rather than into age and blight."

### Churchdom Mourns Roberta.

Death has stilled the soulful voice of sweet singer Roberta Martin . . . but the lyrics and melodies of songs she composed and her nationally famed singing group carried across the world, linger on. The deeply spiritual atmosphere of Ebenezer Baptist Church seasoned he in youth so that she used her God given talent as salt, leaven and light to make the world better be-

cause she lived, played, and sang . . . The songs continue . . . the melodies live on.
