

Calendar Club Takes Extended Northside Tour

The Morgan Park Calendar club found a way to beat the sweltering heat wave last Saturday. Members took a cruise along the lake front on the way to Winnetka, Ill., to take a tour of the Baha'i Temple.

Impressed by the beauty of the temple, the group left the beautiful edifice and continued along the northside route through many of the charming suburbs and almost to the Wisconsin State line. They returned along the much talked about Eden expressway:

Among friends who joined members on the tour were Misses and Mesdames Ethel Sengstacke, Cleo Spurlock, Mary Slaton and son; Mmes. Josephine McLester, Mammie Patton, A. T. Austin, Nina Simpson, Mercedes Settles, Bethaloma Lewis, Mr. McCullough and several children, who came with relatives and friends.

The tour which started in Morgan Park ended there at 7 p.m., six hours after its start. Members of the club making the trip are Mesdames Mary Simpson, Leather Raines, Maude Wanders, Irene Pollard, Nellie Balama, Francis Murrell, Willie Hamilton, Hessie Slaton and Mr. Bob Wesley.
