

Catholics Write To Roosevelt On Lynching

PHILADELPHIA, Nov. 26—The Catholic Intercollegiate Interracial conference, held at St. Joseph's college last Sunday, wrote President Roosevelt that: "We believe that the national stigma of lynching with impunity must be immediately eradicated from our national life.... Therefore we urge that you specifically recommend in your message to this special session of congress the early enactment of the anti-lynching bill."

Attending the meeting, which was held under the auspices of Cardinal Dougherty, Archbishop of Philadelphia, were Dr. W. R. Valentine of Bordentown; Elmer A. Carter of New York; Dr. Hudson J. Oliver of New York; Dr. Leslie Pinckney Hill of Cheyney; Prof. J. H. N. Waring of Downingtown; Dr. W. F. Wright, of Lincoln university, and Arthur Huff Fauset.
