

# CLUBS AND SOCIETIES

## FREDERICK DOUGLASS CENTER.

3032 Wabash Avenue.

Sunday afternoon, December 28, at 4 p. m., there will be a Christmas program with the Center Unity Boys' Club as guests. Mrs. L. Williams, head of the boys' department in the Division Street Y. M. C. A., will speak. Monday evening Mr. L. Stone, physical director in the Unity Boys' Club, entertained our boys with a Jean social and musical program. Mr. Hammond of the Wabash Avenue Y. M. C. A. was present with his stringed orchestra. Mrs. Edna Johnson has kept this club organized for several years, and the coming of Mr. Stone has meant a new era to the boys, as they are given the benefit of the field work, such as visiting other institutions and the evening trips to the lake, etc. Wednesday evening an open-air song service was given from the Center steps, much to the entertainment of the neighborhood. The frosty air made the stereopticon display which followed a welcome pleasure. Saturday morning the girls' activities were given a party, where gifts and songs characterized the hour. We are much indebted to Mrs. A. C. Cone for the exceptional good quality of music given these classes with the addition of a culture club.
