

# **Mt. Carmel Garden To Be Duplicated**

The world - renowned 8-pointed Star Garden on the slopes of Mt. Carmel, Haifa, Israel, is being duplicated by the B'hai Temple for its feature garden in the 1964 Chicago World Flower and Garden Show, McCormick Place, March 7-15.

This unusual garden will be built around a fountain. The featured portion is an 8-point floral star symbolizing the eight major faiths of the world.

The garden will be divided with colored flowers depicting the major races of mankind.

In the background, a mural of Mt. Carmel and the International Baha'i Shrine and Archives Building will add a yester-year's touch.
