

## **Baha'i Sets Special Speakers Topic For Sun.**

"Impressions of a New Baha'i" is the topic for the Sunday program at the Baha'i House of Worship in Wilmette on Feb. 8 at 3:45 p. m. The speakers will be Mr. and Mrs. Robert Taylor, of Glenview.

A Baha'i is one who accepts the faith found by Baha'u'llah, whose name means GLORY OF GOD. His faith brings a mighty renewal of hope in the triumph of righteousness on earth; it quickens the spirit of understanding which binds the soul to God; It offers a source of pure and undefiled spiritual knowledge; it rekindles the flame of devotion and love which are the true happiness of man.

Visitors are invited to bring their questions to a discussion period with Mr. and Mrs. Taylor, following the meeting.
