

## **FREDERICK DOUGLASS CENTER.**

Sunday afternoon July 28, at 4 p. m., the meeting is : symposium to discuss the "Social Settlement" from a religious, industrial and philanthropic standpoint, with Miss Emma Adams, assistant to Miss McDowell of the Chicago University Settlement; Mrs. Gaythers, Miss Sophia Boaz and Miss Haynes of the Wendell Philipps Settlement as speakers. Mr. Harrison Emanuel will give a violin solo and Mr. George Garner a vocal solo. Our attendance is commendable for mid-summer, due to the efficient advancement of our program committee, Mrs. G. W. Cone and Mrs. C. R. Lewis, who have provided, in addition to timely addresses, music of unexcelled quality. The second of the summer students' meetings was held last Friday evening, with the usual interest, all enjoying the dramatic reading by Mr. Maurice Kuhns. Mrs. Celia Parker Woolley attended the students' social Friday night returning to Geneva Saturday morning. Mrs. G. W. Cone will give a bazaar and social at her residence, 443 West 56th street, Tuesday evening, July 30, at 8 p. m., for the benefit of the Congregational church. This is the first of a series of functions for the church, as it seeks to enlarge its usefulness.
