### **FREDERICK DOUGLASS CENTER.**

Sunday, Dec. 13, at 4 p. m., there will be a musical program in charge of Mr. William Lester, organist of Memorial Church of Christ, assisted by Mrs. Lester, soprano, and Mr. Bunham, baritone. These friends have been with us on former occasions and we know what is in store for us.

Tuesday, Dec. 15, at 2:30 p. m., the Center Woman's Club meets. Mrs. Hattie Todd will give readings and Miss Birdye Haines, head resident of the Wendell Phillips Settlement, will speak on "Social Welfare Work," reviewing conditions in Chicago and other cities. The club sewing circle met last Tuesday with good results in charity cases discussed and sewing done.

Mrs. Cella Parker Woolley spent a few days last week visiting in Geneva, Ill. She has given a number of talks this fall in the interest of the Center, which were well received, the ones at Morgan Park and Oak Park especially.
