

Aircraft Prexy To Talk At Baha'i Series

WILMETTE, Ill. — Ronald L. Hauck, president of Illinois Aircraft Corporation, Midway Airport, will speak Sunday, 3:45 p.m. at the Baha'i House of Worship, Sheridan Road at Linden ave., Wilmette.

His topic will be "Frr the Love of God."

Hanuck and his family returned to this country from Uruguay in 1964, after residing there for five years. Hauck was chairman of the Spiritual Assembly of the Baha'is of Montevideo, and also chairman of the Spiritual Assembly of the Baha'is of Uruguay—the elected local and national administrative bodies.

Regarding the topic of the lecture:

Baha'is believe that the love of God is eternally present, but that to receive its full benefit man must love God. In the writings of Baha'u'llah, the Prophet-Founder of the Baha'i Faith, is the passage:

"Love Me, that I may love thee. If thou lovest Me not, My love can in no wise reach thee."

This lecture, one of a weekly series at the House of Worship, is open to the public. It follows the regular 3 p.m. public devotional program.
