## FREDERICK DOUGLASS CENTER.

October 11 at 4 p. m. Mr. B. F. Moseley will speak on "The World's Greatest Exhibit." Mr. Hilbert will give several-piano selections. This will be an exceptionally fine program and deserves a large attendance.

The domestic science classes Saturday morning at 9:30 are well attended and taught by competent young women from the higher schools of education. The larger girls appreciate the dressmaking class taught by Mrs. Hattie Jemison. Mrs. Antoinette Crump-Cone reorganized the club with officers to be elected next Saturday. They are preparing for a concert.

Mrs. Celia Parker Woolley spent the latter part of the week at her former home in Coldwater, Mich. Professor Lewis of Raymond school gave an address to the Woman's Club Tuesday, stating that the need of a playground in this neighborhood was of great need to the community and that while there is a \$1,500 bathroom equipment it is not in operation because of the lack of an attendant. He urged the co-operation of the club in bringing sentiment to bear in the board of education that these necessities might be given us.
