God A Cure For Vice

Dear Editor: I believe that the only cure for various types of vice is to show people the consequence and folly of evil practice. The best cure is seeking the words of God in the Revised Scriptures.

Satan has taken over the love department in many lives and the evil spirit will rule them until some good samaritan frees their feeble minds.

Relief and ADC makes people weak morally and when people become immoral, they lose faith and this mental decay destroys them and their children. —A Baha'i.
