Sunday afternoon, June 8, at 4 p. m., Miss Birdie Haynes, of Wendell Phillips settlement, will speak on "The Relation of Charity to Character Building." Miss Frances Patterson will give a talk on "Woman's Social Life in China." Miss Patterson has spent many years working in China, and we look for an interesting subject.

Saturday morning Miss Ellen Snyder closed her sewing class for the summer with a party of games and refreshments. Since so many became interested in the embroidery class at the exhibit on the evening of the annual meeting, it was asked by the adults that a class be given them during the summer. Mrs. G. L. Cone's music class will continue with the addition of a class for high school girls.

Tuesday evening, June 10, at 8 p. m., the Mothers' Lecture Club will meet for study, when an address will be given.
