

FREDERICK DOUGLASS CENTER.

3032 Wabash Avenue.

Sunday afternoon, October 19, at 4 p. m., Miss Florence Holbrook, teacher in Forrestville public schools, will speak on "Modern Methods in Teaching." Miss Holbrook is a many years' experienced teacher and has had a wide acquaintance with colored children. Miss Ethel Thomas will give a vocal solo and Mr. Logan Thomas piano numbers.

We are fortunate in securing again this year the services of Mrs. Mattie D. Griggsby in the domestic science classes. She did good work last year, and is a student in the Baptist Missionary Training School on Vernon avenue.

Mrs. C. P. Woolly spent Thursday in Kennilworth, lecturing to the Woman's Club. Tuesday afternoon she addressed the mothers' meeting in Lincoln Center.
