

# Baha'i Humanity United Featured Pot Luck Meal

"Humanity United" was the theme of Race Unity Day observed Saturday, June 11 at the Chicago Baha'i Center, 116 S. Michigan ave., Room 1108.

The program began at 7 p.m. with a pot-luck dinner followed by entertainment with an international flavor performed by young people of various backgrounds, demonstrating that diversity in the human family should be the cause of love and harmony.

Race Unity Day was observed by members of the Baha'i Faith in 500 communities in the United States. The purpose is to focus attention on the essential oneness of mankind under the Fatherhood of God.

David Wikellum, who served as chairman of program, pointed out that America cannot achieve its greatest destiny as a nation and as a world leader until all its peoples have made, not only

an outward acceptance of racial equality, but an inner, heartfelt conviction of love for fellow man of whatever race.

Continuing, Kellum said the failure to achieve this has been due, in part, to the failure of religions to take the leadership, inculcating in its followers what all the Prophets of God have taught, that "all humanity are the children of God" and that in each human being we see the handiwork of God.
