### **LOUIS GREGORY HERE**

Louis G. Gregory of Eliot, Me., member of the National Spiritual assembly and executive secretary of the Interracial Amity committee in the Bahai movement, paid a visit to the Defender office Wednesday. Mr. Gregory spoke before the amity conference held this week in the Bahai temple at Wilmette, Ill. He is en route to Urbana to fill a lecture engagement there. The Bahai movement, Mr. Gregory says, maintains a summer colony at Eliot, Me., where discrimination is unknown. Visitors are especially invited.
