

## ***Cheyney Singers In Farewell Broadcast***

**CHEYNEY, Pa., May 24**—The 35-voiced mixed chorus of the Cheyney State Teachers college was heard in a broadcast from station KYW in Philadelphia Sunday under the direction of Dr. Leslie Pinckney Hill, president of the college. This was the sixth and final broadcast by this chorus over station KYW during the college year. The chorus and its soloists sing in a wide range of the world's best music, including spirituals, folk songs, and classical music. The music by this chorus has been well received by an appreciative audience in Philadelphia and vicinity, according to the expressions and comments received at both the radio station and at Cheyney.
