### **ABDUL-BAHA COMING TO THE CAPITAL.**

Washington, D. C., Nov. 8 (special).

—Abdul Baha, the founder and chief exponent of the Bahai sect of religionists, is to pay this city another visit soon, coming on from Chicago. The local arrangements, as far as the colored adherents are concerned, are in the hands of Mr. L. G. Gregory. No color line is drawn, but Mr. Gregory will see to it that the colored brethren are kept informed of the meetings and ceremonies. Prof. and Mrs. G. W. Cook, of Howard University, Lieut. T. H. R. Clarke and Assistant Registrar C. F. Adams are enthusiastic believers in the cult, along with Mr. Gregory and many others of like prominence, and are of the opinion that the spirit of Bahaism will go far toward solving the race problem in this country, by obliterating it through the spread of the Fatherhood of God and the Brotherhood of Man.
