Sunday afternoon, March 15, at 4 o'clock, President E. Twichell Ware, of Atlanta University, will speak on "Educational Methods of the Present Day." Vocal and piano music will be given by pupils of Mrs. A. C. Cone's class. Friday evening a most enjoyable neighborhood meeting was held in the interest of good government and a clean vote. Marion H. Drake, candidate for alderman in the First Ward, was present, giving many valuable hints on good citizenship.
