### FREDERICK DOUGLASS CENTER.

Sunday, Dec. 6, at 4 p. m., Miss J. Katherine Cutler, teacher in the public schools, Austin, will give an account of her last summer's travels in Europe. Miss Cutler suffered but little from the war trouble and will have a pleasant recital to give her hearers. Mr. Orestes A. Scott, tenor, will sing. Last Sunday Rev. Elmer L. Williams gave such a satisfactory account of his work in civic uplift that it is planned to have a mass meeting soon in the hope that many more may become acquainted with facts concerning neighborhood conditions in many parts of the city. The Center Woman's Club voted to meet every Tuesday hereafter, the second and fourth Tuesdays, to be given to sewing and other charity work, readings, etc. In this way a larger field of usefulness will be realized. Mrs. A. L. Dickerson will assist in the domestic science classes for the month of December, relieving Mrs. Rosa Clark, who was with us in November.
