FREDERICK DOUGLASS CENTER.

Sunday, June 13, at 4 p. m., Mrs. Birdie White Cook will read an original poem. Mrs. Cook is a musical composer and writer of rising fame, the delight of her many friends. Mr. J. A. Rogers will follow with dramatic readings, mostly Shakespearean. Mr. Rogers is a loyal member of the Center and the means of bringing many friends to us. The Center rejoices at the generous manner that the various clubs have responded to the call made by the Keith school a few weeks ago in assisting to serve penny lunches. This is a demonstration of the splendid club spirit characterizing our workers.
