# **Toledo Citizens Hear Kinckle Jones**

TOLEDO, Ohio, Feb. 20.—Emphasizing the belief that America cannot justify its claim to democracy unless it vouchsafes to every citizen the opportunity for advancement and the guaranties of justice, Kinckle Jones, executive secretary of the Urban league and leader in the Toledo interracial week observance, made seven speeches throughout the city to representative audiences last Sunday and Monday.

He spoke at the Epworth Methodist church, a meeting of the Hi-Y Girl Reserves, the Frederick Douglass center, the Third Baptist church, a conference of school officials on vocational guidance, a luncheon conference of the Woman's Auxillary of the Council of Churches and the St. Paul Methodist church.
