## **THE EDUCATORS OF HUMANITY**

The holy Manifestations of God, the divine prophets, are the first teachers of the human race. They are universal educators and the fundamental principles they laid down are the causes and factors of the advancement of nations. Forms and imitations which creep in afterward are not conducive to that progress. On the contrary these are destroyers of human foundations laid by the heavenly educators.

Therefore there is need of turning back to the original foundation. The fundamental principles of the prophets are true and correct. The imitations and superstitions which have crept in are at wide variance with the original precepts and commands. His holiness Baha'u'llah has revolved and re-established the quintessence of the teachings of all the prophets, setting aside the accessories and purifying religion from human interpretation.—
