He asked me when writing to tell you how happy he was to receive your individual letters while he was away and express the wish that he hopes you will still continue to correspond with him even if he may not be able to send replies individually and to assure you each one of his earnest prayers for you. He told me he had replied to each letter he had received from you during his vacation. He is anxious to hear both from father and mother Dunn about their link of activities. I told him they have mentioned in my letter that they had refrained from writing because he had so much \_\_\_ patience,

but he said, 'Give them my earned love and tell them I desire to receive letters from them both. Please ask them to write to me, I am glad to tell you, that our dear brother Bahi Effendi \_\_\_\_\_ who corresponds with you from the local assembly here has made \_\_\_\_\_ factory Progress from the severe operation and will in a few days leave here to spread a few work, \_\_\_\_\_ Lebanon to recuperate before resuming his \_\_\_\_\_ duties as Governor of Tiberias.

The Local Spiritual Assembly at their meeting \_\_\_\_\_ week chose the name 'Nairani' for our new pilgrim house, which means full of light. Is it \_\_\_\_\_ a beautiful name? New heal the electricity \_\_\_\_\_ metallated it is indeed full of material light when necessary, \_\_\_\_\_ way its halls and rooms even be persuaded with the luminosity and light of the great Sun of \_\_\_\_\_ the light of love which \_\_\_\_\_ us to see and love one another in \_\_\_\_\_ and accord and become co-workers and mirror \_\_\_\_\_ this Divine light from our hearts to all \_\_\_\_\_ come in contact with Shoghi Effendi sends you his warm love and greetings and also the \_\_\_\_\_ of the Holy Family ever answering you of their \_\_\_\_\_ prayers for your spiritual growth to material welfare and that you may be richly blessed in all your activities for the Beloved Cause.
